To all Alexander Place Owners:

The community pool facility will be open during the summer months!

A Certified Pool Operator has been hired to manage the daily operations of the pool; they will be doing the majority of their work early in the morning and will be by one other time per day to check chemicals in the pool. This company will not be monitoring activities or resolving “rule” problems at the pool. If you have a concern regarding the pool please contact your CAS manager or the pool company directly, their number is posted within the facility.

Entrance to the pool/clubhouse will be with a magnetic key. One key will be provided to each home owner (see form), additional keys are available for \$25.00 each. Please complete the attached form and return it to receive your pool key. Keys are activated when the pool is open for the season and only for owner’s current in their dues. If you want to use the clubhouse your key will be activated only for the clubhouse and only for that day (see clubhouse reservation form and information).

To use the key simply swipe it in front of the box on the gate or clubhouse wall.

Trespassing at the pool/clubhouse will not be tolerated, if you see anyone who does not belong inside the facility please contact the police immediately. Additionally, should you see any evidence of vandalism please contact the police department before contacting the manager during normal business hours. Do not attempt to take matters into your own hands.

Enjoy the pool!

For the Board of Directors

Carol Schlim, CMCA, AMS
Community Manager
